

## **AD-VANCE ENGINEERING LTD APPRENTICE WINS ENGINEERING SKILLS AWARD**

Nathan McCourt apprentice wins the South Eastern Regional College Inter-Campus Engineering Skills Competition in the Milling & Turning Category. Students were set a test project and marks were awarded for accurate measurements, overall quality of work and the ability to work within time frames.

Roger Vance, Managing Director of Ad-Vance Engineering commented "I am delighted with Nathan's success in this prestigious engineering apprenticeship competition. The outstanding results he achieved in his project work for accuracy and quality are values that are also shared by all who work at Ad-Vance Engineering and underlines our approach to customers and projects. I wish every success in his future engineering career."
