

Your Trusted Language Partner

Omnia Group boasts over 35 years of experience providing multilingual translation and localisation services to global companies.

Formed in 2010, Omnia Multilingual Solutions is linked to an international group with 3 operating sites in **United Kingdom**, one in the **United States** and one in **Italy**, plus a network of correspondents in countries like China, Pakistan, Canada and Brazil.

At Omnia we manage every step of your content lifecycle, from translation, DTP and multi-mode publishing, enabling our customers to successfully deploy technically accurate and culturally sensitive content in the global marketplace.

We have a full-time staff of dedicated project managers who co-ordinate translation activities between our in-house team of language professionals (translators, subject-matter experts, senior editors and quality assurance specialists) in-house desktop publishing and engineering department, and our network of +3000 partners and in-country native speaker language professionals with proven industry expertise.
