

We are in constant contact with our suppliers, AHP Merkle and CyTec Zylindertechnik and can confirm that deliveries are being maintained. Where possible we despatch direct from our supplier to the customer.

We have taken steps to improve our stock levels held in the UK. Please order in good time.

If you require our cylinders for medical moulds or components please inform us when inquiring.

If you need any help with Cylinders please contact the CyTec team on 0161 678 7090 Email [sales@cytec-uk.com](mailto:sales@cytec-uk.com)
