

What a fantastic day for our 25th Anniversary - with Champagne and cakes setting the scene for a great celebration.

Midas would like to take the opportunity to thank all our customers, suppliers and most importantly our workforce who have supported us for the last 25 years. The journey has been fantastic and the celebration day provided a great opportunity to share lots of happy memories.

If you are interested in seeing first-hand how we produce our high quality RIM mouldings then contact our sales team on sales@midas-pattern.co.uk or call
