# Membership Application

To promote the individual expertise of our members  
and the collective engineering resource we represent.

Manufacturing Resource Centre

## Conditions of GTMA membership

If elected to membership of GTMA, we hereby undertake fully to observe all the terms and conditions of the Memorandum and Articles of Association which may from time to time be laid down by the Board of Directors in consideration of being admitted to membership of the Association. GTMA reserves the right to decline any application for membership without giving a reason for non-acceptance.

Annual subscription runs from January 1st-31st December. Subscription rates for applicants joining mid-term will be calculated on a pro-rata basis. Membership fees are reviewed by the Board of Directors in June each year.

**A member may resign on giving at least one year's notice in writing** at any time and on paying with such notice any subscription due.
